**Notice drawing attention to Rule 51(2) EPC, Article 2 No. 5 of the Rules relating to Fees,  
- Payment of the renewal fee plus additional fee -**

The renewal fee for the 05. year fell due on 31.03.08 unless this date falls within the period covered by an interruption of the proceedings in accordance with Rule 142(1) EPC, or a request for re-establishment of rights is pending (Art. 122, R. 51(4) EPC).

The current rate of the renewal fee amounts to **EUR 700,00** (see current Schedule of fees and costs).

**The renewal fee was not paid by the due date.**

The renewal fee may still be validly paid up to the last day of the sixth calendar month following the due date, provided that the additional fee (50% of the renewal fee) is paid at the same time, see OJ EPO 2008, 5.

Within the above period, which cannot be extended, the following fees are to be paid:

Renewal fee for the 05. year:	EUR	700,00
Additional fee:	EUR	350,00
		-----
TOTAL AMOUNT	EUR	1.050,00

**If the renewal fee and the additional fee are not paid in due time, the European patent application shall be deemed to be withdrawn (Art. 86(1) EPC).**

**Note to users of the automatic debiting procedure**

The normal time limit for payment of the above renewal fee had already expired when the automatic debit order was received. The renewal fee and the surcharge will be debited automatically on the last day of the six-month period (Supplement to OJ EPO 10, 2007).

**Receiving Section**

**Note**

The Schedule of fees and costs of the EPO is published periodically as a Supplement to the Official Journal of the EPO. The current version is also available on the EPO website, together with a link to the epoline® facilities for viewing and downloading fees and searching for individual fees, both current and previous.
